roverbs Assignment

Week 1

Read the entire book of proverbs through in one sitting. (Sign off on your first assignment)

Do a BRI (No historical method)

Do Week 1 topical study

Instructions for Topical Studies

1. Take time to read through the passages given for each topic. Think about what the wisdom is and what the author is saying.
2. Define at least 3 Biblical Truths.
3. Give at least one other reference from outside of Proverbs that would support or expand on the Biblical Truths. Give one or two sentences on the biblical Truth from this reference.
4. Two domain options will be given to you each week from the list below. Choose one of the domains to focus on.
 - ◆ Government
 - ◆ Arts & Entertainment
 - ◆ Church
 - ◆ Business
 - ◆ Science & Technology
 - ◆ Family
 - ◆ Education
 - ◆ Communication (media)
5. In each area there are many ways that you could look at it. Think about the different aspects of that area and then pick one to discuss. You could choose a current event, situation you've been in, a hypothetical situation or include a news article from a magazine, newspaper or the internet.
6. For your domain & situation ask the following questions and record your thoughts:
 1. How are (would) the specific areas (be) affected by NOT WALKING in the Biblical truth?
 2. How would walking in the Biblical truth make a difference or change things? You can pull in other Biblical passages that would back up your discussion.
 3. Think about how your culture compares to the Biblical truth and record your thoughts.

roverbs Examples

Within the different domains of society there are a lot of different aspects you could look at. For each domain you only have to look at one aspect.

Example #1

Poor & Needy – Government

- Should the government be involved in social Services?
- What about the poor and needy right now in Afghanistan?
- Does the government give value to the poor & needy?
- Is it their job to take care of the poor & needy?

Example #2

Poor & Needy – Education

- Is education everyone's right? Who's responsible for children's education?
- How does education affect poverty?
- are the poor & needy valued in the school system?

Example #3

Greed – Science & Technology

- Who gets the benefits of scientific breakthroughs?
- Is technology withheld due to profits in other areas?
- Should it be for profit if most money for research is donated?
- Should people's ideas be licensed so that they cannot have personal gain for any findings?
