

# Final Application Instructions

In the final application the goal is to respond to the things God has shown you through this study. To do this we need to answer two major questions:

## 1. How has God spoken to you through one of the Timeless Truths?

- a. Choose one Timeless Truth from your charts that really spoke to you and write it down on a separate sheet of paper. Make sure to note the verse references.
- b. Write two paragraphs about the Timeless Truth answering the following questions:
  - i. What is God saying to me through this Truth?
  - ii. How did the book change your concept of God?
  - iii. How did it change your concept of yourself?
  - iv. How did it change your concept of living life for Christ? etc.

## 2. What am I going to do practically in response to God's Word?

- a. How did the Timeless Truth of this book change how I am going to live out my daily life?
- b. In what ways did it change how I will relate to others?
- c. What am I going to do about what God has said?
  - i. This should be something personal. This is not the place to explain what is right or wrong with the Church or society, but rather your place in them or your view of God.  
The Timeless Truth you select for your final application should affect you.

## Tips:

As a general rule, try to use at least one paragraph to answer each of the numbered questions above.

- Be specific. Try to find a very specific thing that you can do now.
- Don't preach. Remember, your final application is about you.
- Resist the temptation to make applications for the future. Remember, there are many books you will be studying and the back-log of unimplemented applications will quickly get overwhelming.
- Remember, a small act of obedience is more valuable than a grand plan left unimplemented.
